

WACTE Committee Restructuring

The WACTE board along with the approval of the WACTE membership decided to realign the committee structure to mimic the national level. As a result a lot of committees were either reassigned to the board level, summer conference business or the new committee designations. The committees were redesigned to have one person from each division in addition to having a chairperson. Some divisions may be represented twice depending on who the chair is. Each committee person will serve a two year term with different divisions rotating out each year to allow for some consistency. To see a list or description of the committee duties, please see the WACTE Handbook found on the WACTE website.

Those who served on the committees last year have first chance to being a part of the new committees. If no one is interested in filling the position, we will appoint someone to represent the WVATA.

The committees were restructured as follows:

New Committee/ Assignment	Old Committee	Member
Audit	Audit	Treasurer Wendy Pollock & New Treasurer will meet at summer leadership
Awards	Scholarship	Louis Abarr
	Fundraising	Ty Vallier
